Spring 2016 Volume IX, No. 1

Congratulations to Scott and Scottie for winning the trophy!!

Unified Bowling 2016!

Yes....the trophy for Unified Bowling came to Pine River! The year began with a search for enough bowling partners. Forty eight people descended on Pine River Community Bowl on Monday or Thursday afternoons. Bowling partners enjoyed the strikes and groaned at those gutter balls. Part way through the season it looked like one of our pairs would not be able to attend the tournament...Scott broke his ankle and that is not conducive for bowling. His partner, Scottie, stepped up and assisted him with ramp bowling. The

next challenge was going to the bowling tournament in Duluth. Not only is it three games of bowling, it also involves a bus ride to Duluth in a Greyhound bus. Two days before the tournament, Scott's doctor said it was okay for him to go to the tournament and ride the bus! It was a great day for Scott and Scottie who took home the trophy. It was an outstanding day for each athlete and partner.

Thank you to each person who helped this day be successful, especially the new partners.

Congratulations!!!!

Volleyball is a popular game at the Halloween party.

Halloween brings out the best in everyone. Several people came dressed up but everyone came ready for a good time. Goodies and friends are all we need. Volleyball is a nice addition.

Thank you to the many people who created costumes and prepared goodies and provided a relaxing time for everyone.

Fishing Has No Boundaries.

Fishing Has No Boundaries is fast approaching. The fish stories from last year are still told. The days on the lake...the big one that got away... and the little one which really is this big...the stories at the cabin...the fish and the annual tradition to go out for pie and coffee. The awards ceremony creates anticipation to see if we will take home any trophies. Congratulations, Sean Kelley, for the 3rd place trophy.

Let's Go Fishing...any time of the year.

It is clear, we enjoy summer!!!

Another opportunity to be on the lake is through the organization "Let's Go Fishing". It is a national non-profit agency that provides people with disabilities or elderly people time on the lake to ride or fish on a pontoon boat. We are fortunate to be able to partner with the Hackensack chapter.

Jo went on a lunch cruise. She was accompanied by Sara.
